

***All the information you need  
on worldwide pipeline projects!***

The **SIMDEX**  
Future Pipeline Projects  
Worldwide Guide

## The Simdex pipeline projects online database

**100% dedicated to pipeline projects**  
**worldwide coverage (110 countries)**  
**onshore and offshore projects**  
**oil, gas, water, chemicals projects**  
**comprehensive project information**  
**project maps**  
**updated on a daily basis**  
**fully web based**  
**multi user**  
**powerful search**  
**manageable list of favorite projects**  
**personal notes on projects**

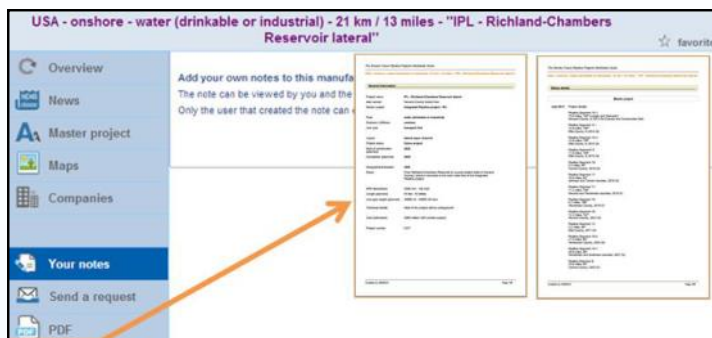

**7 regions, 110 countries,  
285 000 km / 176 000 miles  
of future projects  
and 400 billion USD of business**

	Number of projects	Total length		Business value (billion USD)
		km	miles	
North America	432	67 000	42 000	81
Latin America	83	31 000	19 000	37
Europe	162	38 000	24 000	73
Africa	90	38 000	23 000	48
Middle East	90	25 000	15 000	45
Asia	122	62 000	38 000	108
Australasia	61	24 000	15 000	41
<b>Total</b>	<b>1040</b>	<b>285000</b>	<b>176000</b>	<b>433</b>

**Easily export to PDF  
all the information of  
a project**

	Cost (million USD)	Project number	Maps	Notes	Favorite
er (drinkable or industrial) - 26 km / 16 miles - ke Benbrook lateral"	90	5236			
ural gas - 3 km / 2 miles - "Tolt natural gas line -	2,0	5755			
er (drinkable or industrial) - 34 km / 21 miles - Henderson and Anderson counties line"	134	6807			
er (drinkable or industrial) - 35 km / 22 miles - Henderson County line"	121	6808			
er (drinkable or industrial) - 21 km / 13 miles - Richland-Chambers Reservoir lateral"	88	5237			
ural gas - 5 km / 3 miles - "Rio Bravo Pipeline -	8,6	6924			
ural gas - 3 km / 2 miles - "Tolt natural gas line -	2,0	5754			
ural gas - 225 km / 140 miles - "Rio Bravo st"	387	6923			

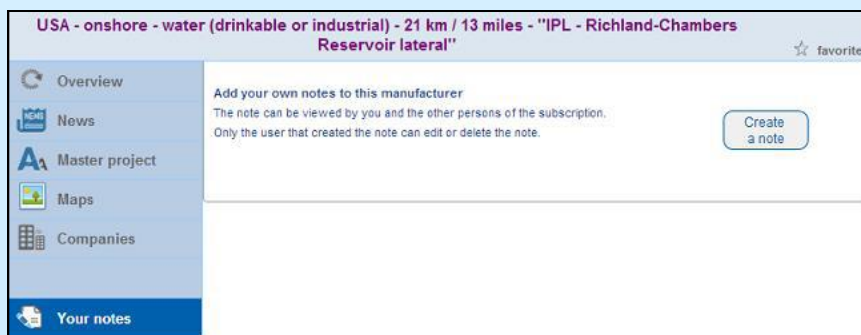

**Tag your favorite projects  
and manage your list of  
favorite projects**

**Add your own notes to projects**

**and share them  
with the other  
members of your  
subscription**

**Add your own notes to this project**

The note can be viewed by you and the other persons of the subscription.  
Only the user that created the note can edit or delete the note.

## Comprehensive search

Run precise searches through a 25-criteria search system

The search interface includes the following fields:

- General information:** Project status (dropdown: any project), Geographical zone (dropdown), Country (dropdown), Originating country (dropdown), Destination country (dropdown), Year of start of construction (dropdown), Year of completion (dropdown), Project name (text input), Projects with alternative route(s) (checkbox), Cost (million USD) (from/to dropdowns).
- Technical information:** (Currently selected tab)
- Involved companies:**
- Other:**

### General information

- geographical zone
- originating country, destination country
- project status
- year of start of construction, year of completion
- project name
- cost (million USD)

### Technical information

- fluid
- onshore/ offshore
- diameter
- length
- weight
- gas capacity
- liquid capacity

### Involved companies

- owners
- operators
- engineering companies
- contractors

## Projects list

Geographical zone	Start	Status	Project	Cost (million USD)	Project number	Maps	Notes	Favorite
North America	2030	F	USA - onshore - water (drinkable or industrial) - 26 km / 16 miles - "IPL - Lake Benbrook lateral"	90	5236			☆
Latin America	2022	F	Brazil - onshore - natural gas - 2260 km / 1405 miles - "GASUN - Goiás to Maranhão gas pipeline"	3 336	3699			★
North America	2022	F	USA - onshore - water (drinkable or industrial) - 21 km / 13 miles - "IPL - Richland-Chambers Reservoir lateral"	88	5237			☆
North America	2021	F	USA - onshore - water (drinkable or industrial) - 5 km / 3 miles - "West of Hills - Central Pressure Zone Pipeline - El Corrito and Richmond segment"	7,4	5414			☆
North America	2021	F	USA - onshore - water (drinkable or industrial) - 3 km / 2 miles - "West of Hills - Central Pressure Zone Pipeline - Richmond and San Pablo segment"	4,4	5415			☆
North America	2020	F	USA - onshore - natural gas - 13 km / 8 miles - "Hillabee Expansion Phase 3 - Autauga Loop"	22	5465			☆
North America	2020	F	USA - onshore - natural gas - 10 km / 6 miles - "Hillabee Expansion Phase 3 - Butler Loop"	17	5464			☆
Africa	2020	F	Kenya - onshore - refined petroleum products - 285 km / 178 miles - "Mombassa to Nairobi - Nakuru to Eldoret and Kisumu extension"	164	5068			☆
Middle East	2020	F	Israel / Turkey - offshore - natural gas - 470 km / 292 miles - "Israel - Turkey gas pipeline"	1 224	5311			☆
North America	2019	F	USA - onshore - natural gas - 11 km / 7 miles - "Hillabee Expansion Phase 2 - Rock Springs Loop"	19	5462			☆
North America	2019	F	USA - onshore - natural gas - 6 km / 4 miles - "Hillabee Expansion Phase 2 - Verbena Loop"	10	5463			☆
